Twitter Thread by Mark Minervini

Key attributes of my trading this year:

- 1. Concentrated positions
- 2. Selective use of Leverage
- 3. High turnover
- 4. Super tight risk control
- 5. Selling into strength
- 6. Big positions almost exclusively directional
- 7. De-risking trades and free rolling often

JUST RELEASED - April U.S. Investing Championship results YTD - https://t.co/mN2Kl28gqh
