This New Week...

■WORD4TODAY■

Eze 34:15 MSG
"'Therefore, God, the Master, says: *I myself am stepping in* & making things right.

❤■I love that part, "I myself, am stepping in."

■■When God says, He Himself is stepping in, then, something never before seen is about to happen

■■

He is about to give that situation a complete "KNOCKOUT"

■■IN *Exo 14:13 KJV

And Moses said unto d pple, Fear ye not, stand still, & see d salvation of d Lord, which he will shew to u to day: *for d Egyptians whom ye have seen to day, ye shall see them again no more for ever

When God Himself takes on a situation, that situation will never be seen again.

■■

May God Himself step ■ into that *long standing battle, seasonal battle and awaiting battle* and give a permanent solution to their harassment in Jesus name.
