" Look long and hard. Brace yourself for a shock. Something's about to take place and you're going to find it hard to believe.

The last statement i find very intriguing...

■■It strikes one as a statement of CERTAINTY.

"...Something's

about to take place and you're going to find it hard to believe."■

Brethren, there are things God will do that you will find hard to believe..■

When Jesus had this strange encounter with Peter by the lake in Luke 5, the resultant effect was unbelievable.■.. Peter found it

very hard to believe because, the result of the encounter was against all odds.

✔Against the run of circumstances playing out in your life, God will do the unthinkable that will defy human comprehension.
■■
Your testimony will be.. "it could only have been God.. "■■■■
