#NiftyMetals daily chart with indicators and relative study of Nifty metal components in 15 min, hourly & Daily time frame
Nifty metal inspite of strong correction seems maintaining uptrend till above 4850 (daily mid bol) & RSI 50+
#Nalco #Tatasteel #Vedl #NMDC outperform ..cntd

#NiftyMetals in 15 min, hourly and daily time frme.

If Nifty metal turns around #NMDC , #Vedl #TataSteel & #NMDC can be most strongest among peers
