One of my fav times to buy is when price has moved sideways for a month or two and then breaks out into fresh all time highs.

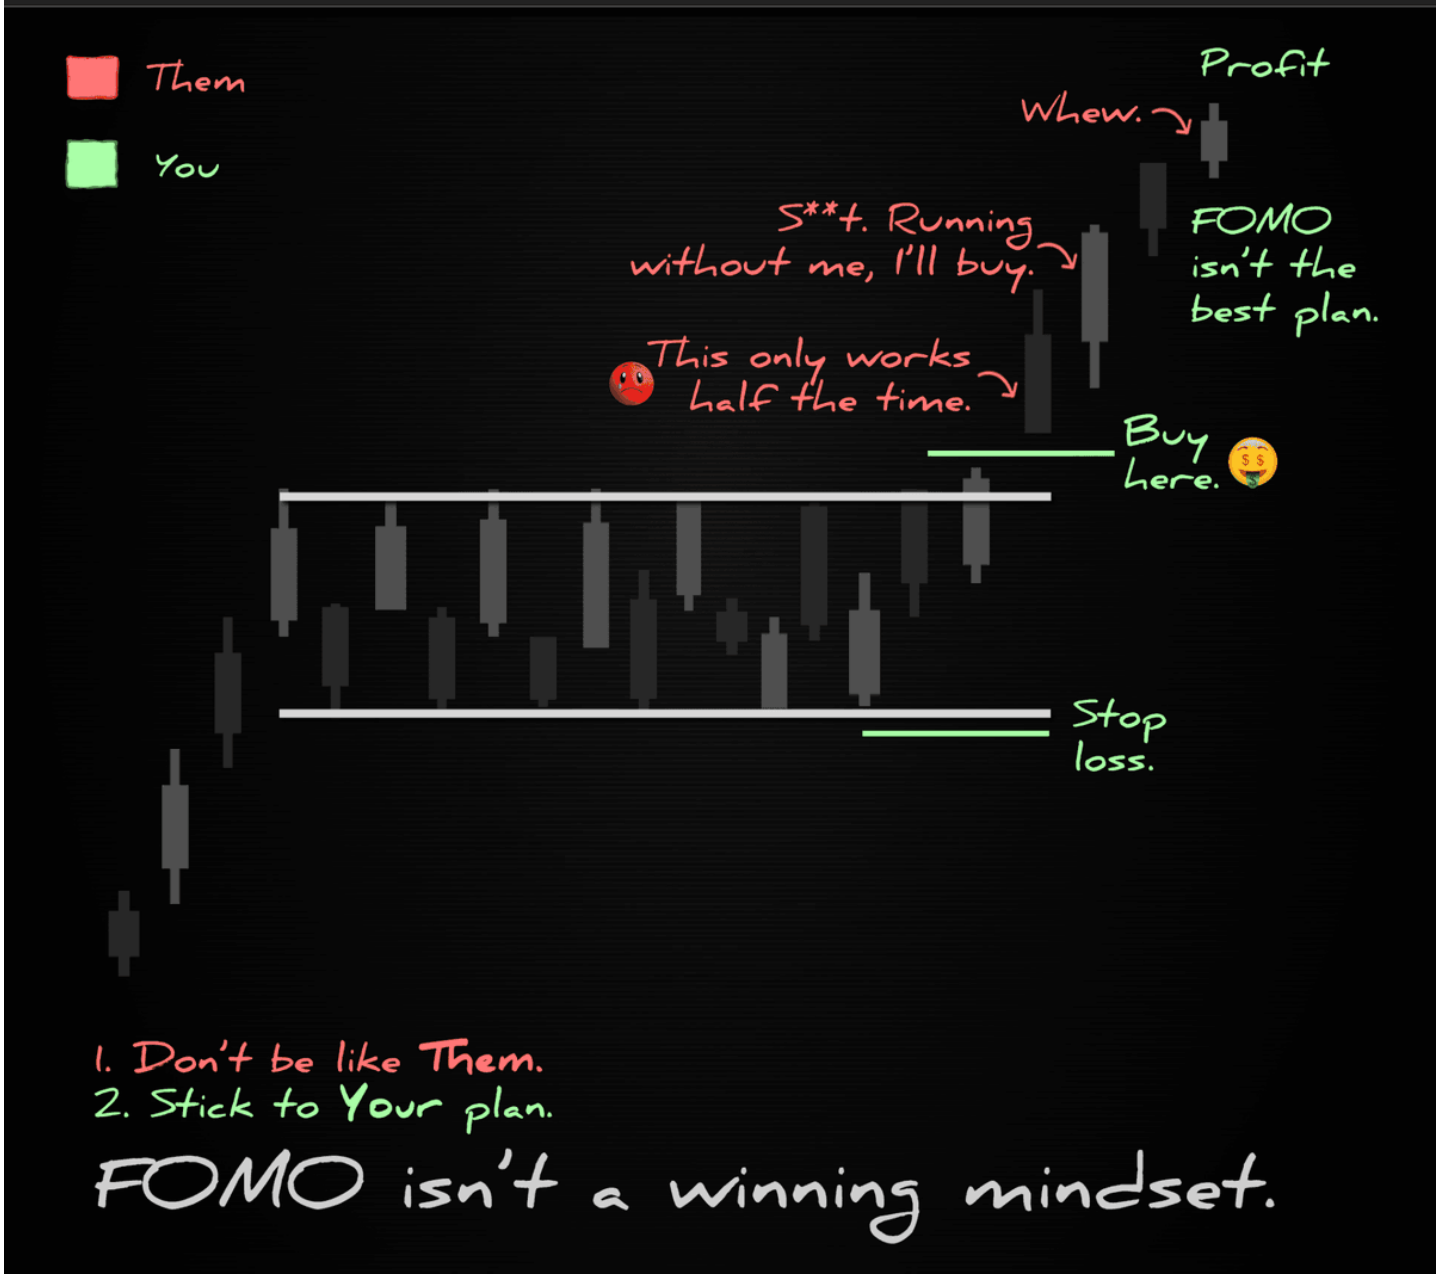

Many look at it & think its destined to fall.

Half the time it ends up being a launching pad.

Low risk, high reward = winning formula ■

WIN ONCE OR **WIN FOREVER**

MARA WEALTH

1. Don't be like **Them**.
2. Stick to **Your** plan.

FOMO isn't a winning mindset.
