Christian missionary Valson Thampu who was personally appointed by Sonia Gandhi for rewriting NCERT books in 2004.

This case is blatant. But only one of hundreds. Some gems. 1/5

NCERT mentions slavery by Hindus by ridiculous interpretation that too of translation of Yajurveda made by an imperialist Christian

But Bible & Quran permit slavery, & these two thrived on slave trade for 1000 yrs, NCERT only says these religions failed to end slavery ■ 2/5

Aryan Invasion Theory is scientifically hogwash. But harami missionaries need it to divide Hindus.

So NCERT quotes bastard Periyar talking about it. That way NCERT doesn't take a position but still brainwashes.

But NCERT doesn't mention Babasaheb Ambedkar rejecting it ■ 3/5

There are more than 30 women authors of Vedas.

But

NCERT tells us women were not allowed to study Vedas.

So women were allowed to author Vedas but not study them? ■ 4/5

This Thampu pig was running Stephens College. The college gets its 95% funding from central govt but reserves 50% seats for 2% Christians.

Kitna fraud hoga hamare saath???
