Having the same view as before in Nifty. Is it a prediction? No, it is calculated trajectory based on the historical fractals. Manual version of backtest with a tinge of experience.
#Nifty50 https://t.co/ajpEwosu3v

JK bhai let's have fake breakout in Nifty \U0001f61c
Not joking though, have a reason to anticipate that. https://t.co/idzSRIpWga pic.twitter.com/MNsTm3Mron
