#Nifty

1. 17400 to 18115 (Expected)
2. 18115 to 16825 (Actual)

Its playing out. Need to form bottom to call higher low n start moving up to confirm it. Lets get the reversal sign from 16620-16900 zone which is 200dema,50-61.8% fibo

I see this as higher bottom formation process
