**#NIFTY** weekly chart showing some similarities with the 2015-16 fall.

Both falls were preceded by an almost non-stop bull run for 1-2 years (counting from last retest of 200-week SMA).

In 2015-16, index fell 25% in 52 weeks. So far, from Oct 21, we have fallen 17% in 34 weeks.
