Aisa lagta hain poora hindcopper leke baitha hai, aur ke roj hindcopper ko upar leke jane ki baat karte hai

Market knows what it has to do

1 trigger below 165 bus hogaya kalyan

Just for fun. Hope no one is getting offended by this.

Hindcopper - Upside capped at 206-212 currently due to the trendline and gap area.

Downside below 165-164

RSI not showing great strength.
