Occult ritual thread. Final chapter. Atto XIX
"Three hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves."
Walter Rathenau 1909
Let me introduce the Olympians, also known as the Committee of 300.

The Black practitioners who have been ruling over humanity since the beginning of this current reality. They are the descendants of the Black aristocracy bloodlines of Venice, Genoa and Rome. Paramount amongst those Black lineages is the House of Guelph.

Most of humanity walk in great darkness, not caring or bothering to find out where their country is going firm in the belief that it will always be there for them.This is the way the largest population group has been conditioned to react by the occult liturgies of the Grey Temple

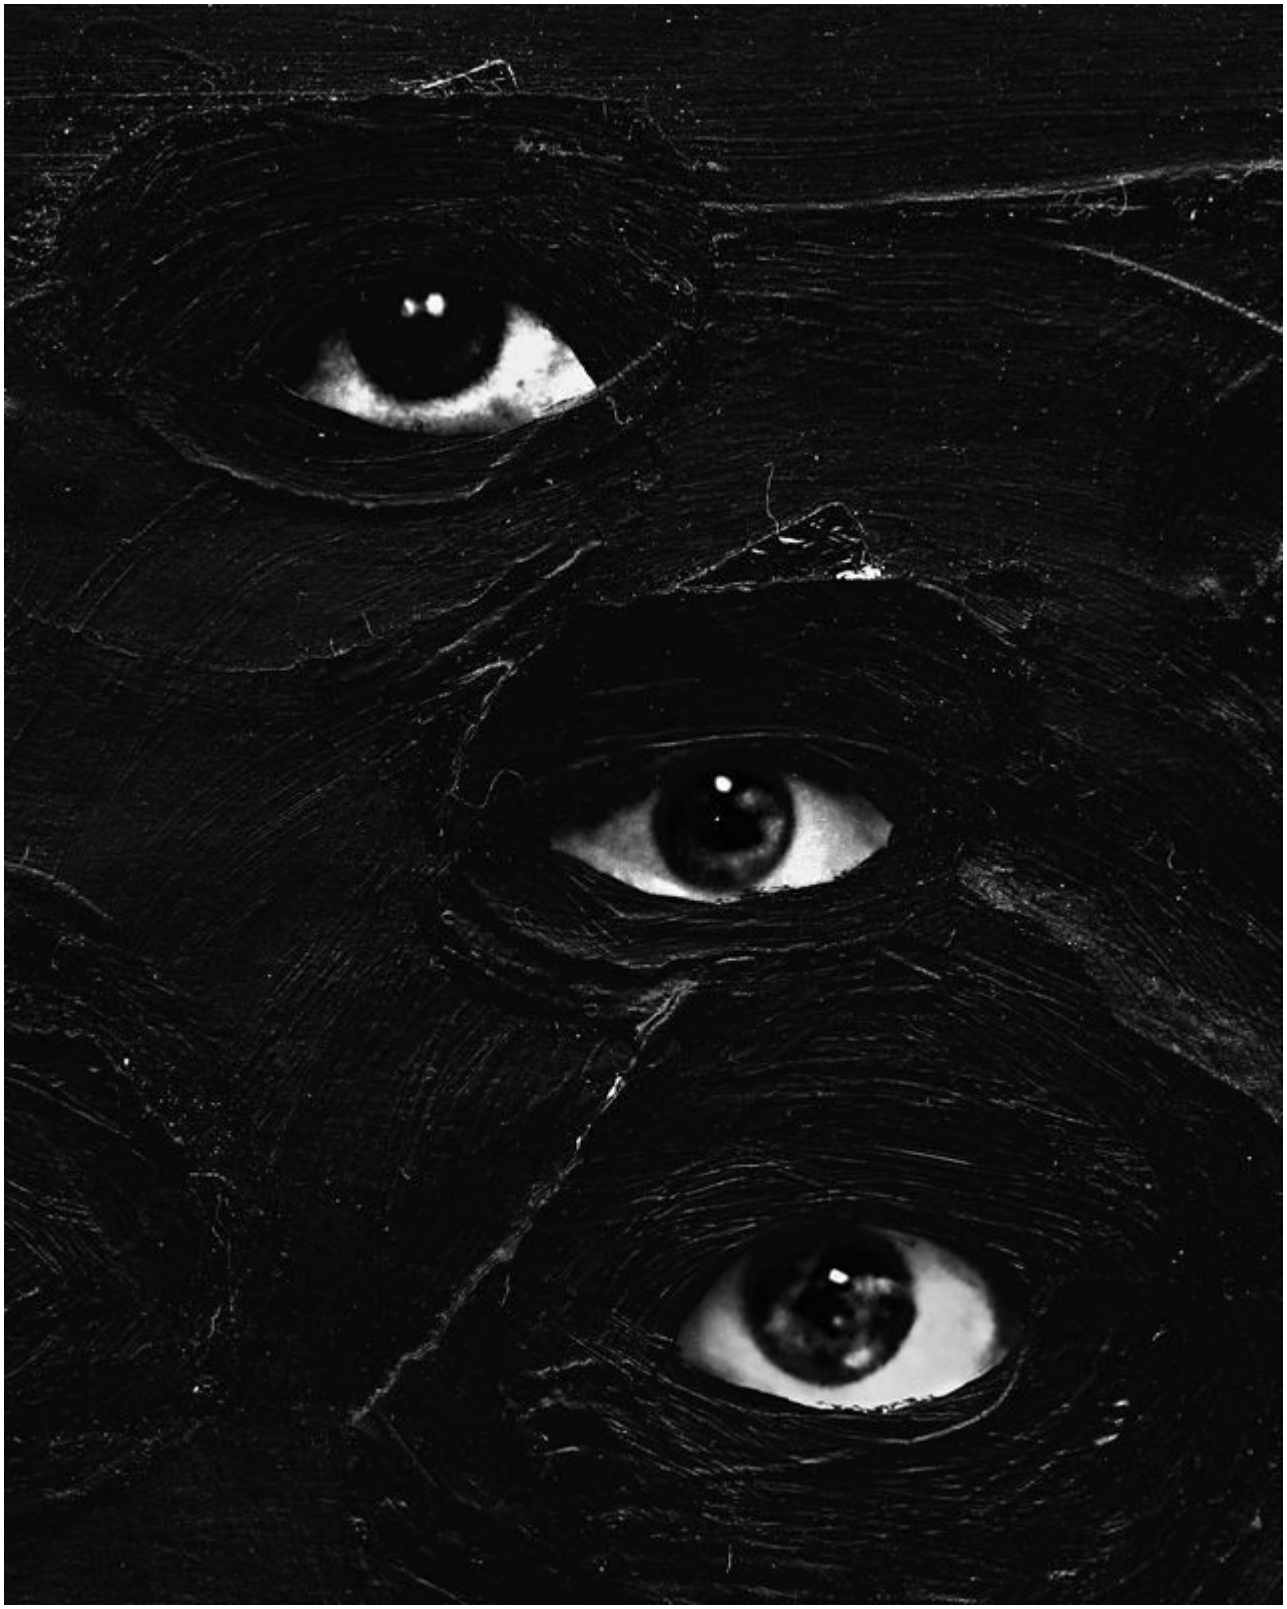

You see, the Olympians are hidden in plain sight. You have probably watched them being crowned, sworn in and elected. You probably voted for some of them. You might be following their social frolics online or marvelling at the latest crass demonstration of their riches. Maybe.

presidency and the destruction of American steel, auto and housing industries in terms of the post-industrial zero-growth order handed down by the Committee of 300. An open conspiracy against God and man, which includes enslaving the majority of humans left in this reality after

the incarnated thought-forms or tulpas evocated by the Black practitioners are done with them. Of course to the unconscious, the influence of these spiritual entities manifests itself under the guise of constant war, sickness, moral decadence and the abhorrent rise of depravity.

The fact is that most of humanity has been following the mendacious and malicious pied pipers created by the Tavistock Institute into the hypnotic abyss of mollified apathy, their vital energy unwillingly engaged in their own demise. And the voracious entities keep feeding...

To be continued. Good night. Switch off the TV, lay down your portable scrying mirrors and research, read, talk, but most importantly regain your sovereignty. We all have a choice to make. May it be the true one.
