The Chartians
@chartians

Some of the F2F Interviews done by @Abhishekkar_ and @elearnmarkets @vivbajaj have helped us to sharpen our skill in #trading and #investing.

These 10 F2F videos could make you one step closer to be a better trader !

5th one is our favourite !

A thread ■

@Abhishekkar_ has shared about his trading journey in his video. How he started trading with his savings from pocket money and right now he is one of the best trader who has helped us and many others in their trading journey.

https://t.co/2593u2Duyu

@Mitesh_Engr Sir have make big money in Futures and Options. His trading style is simple short when supports breaks and long when resistance breaks.
Simple strategy to execute provided one is disciplined.

Subasish Pani: Meet a Trader in India who makes Crores by Trading Derivatives!

We learnt how to trade #Options in very simple language. Unfortunately he is not on Twitter, but do check his #YouTube Channel:
https://t.co/vMirsPNZpG

https://t.co/9uX6tb6wl3

@sanstocktrader is most humbled and one of the best trader in stocks. He has shared a strategy to trade in stocks.

Do check out his twitter handle, lot of things on price action trading can be learnt.

https://t.co/uXDWqTv1ht

@KA_charts

This F2F interview was taken by @Abhishekkar_ on his YouTube Channel.
Kumar Abhilash is our mentor and he is guiding us in trading and investment.

Moreover he is a trader who is handling AUM in Rs Billion ■

https://t.co/mOsYWfUYZ8

@Kuldeep222786 he is again one of the most humble trader on twitter. Personally I have met him in Mumbai as a mentee.

He has shared his trading style and few strategies in option trading.

https://t.co/db2gL41yYr

@Investor_Mohit

A very young and passionate investor who have shared how he analyze various businesses and how he use #TechnoFunda analysis to take entry and exit in stocks.

He is famously known as Solar Man on Twitter,

https://t.co/0B2rViGvgY

@yogeshnanda1 has shared his strategy on Position Option Selling in #Nifty Option.

One of the strategies that a Part Time #Traders can use to generate returns or alpha on the capital.

https://t.co/DWlONTkBbA

Coding has become an integral part of trading and investing.

In @tradingview, Pinescript can help in creating an indicator, strategies and backtest it.

Rajendran have explained how to write basic code to create an indicator and strategies on TradingView

https://t.co/0RPu6ULa3z

@VijayKedia1 one of the popular #investor in India.

We are liked his SMILE philosophy which he have explained multiple times.

He has shared his investment journey and how he analyzed small companies which have grown big in long term.

https://t.co/afuJ5RszH8

These are the few F2F which have helped us in our trading journey.
