@itsAdityaT

Hello and welcome to my profile.

This is a master thread of all the videos I've put up on my Youtube Channel.

I've shared plenty of learnings based on Option Strategies, Trading Psychology, Price action and other aspects of trading.

Will keep on updating this thread.

What is a Short strangle and how to do it the right way

Explained with live backtesting and adjustments

https://t.co/ggISI8N5Qd

> As requested by most of you guys, decided to start a basic options trading strategies series.
>
> The first video is out with live back test and adjustments.
>
> Here's it : https://t.co/qi4Fsm2r6p
