volatility is very high when market open big gap down or option up hote he and jab market settle hota he option price cool down hote he agar market up bhi ja raha ho to bhi buy option utna nahi badenga ..

> He maine kyun likha tha ?? Or call buy kyun nahi kaha tha ?? Kyun sirf put sell kaha Agar maarket up hi jane wala tha to koi bata sakta he ?? https://t.co/w21XemUTLo
