Welcome new followers, I trade options for a living. This is master thread.

My short interview with fyers -
https://t.co/4gJGvJqUSk

An alt approach to trading breakouts in high IV env -
https://t.co/KCanqfojfz

Don't fall prey to seminars (Part

Part 2- https://t.co/RRGtF8JdRB

Truth about India's training scene Part 1- https://t.co/tU24DePfLa
Part 2 - https://t.co/GKlSkXG93D

One of my earning seasons I published all trades here - https://t.co/wjtkZ2O20K

A bit on position sizing for option selling - https://t.co/09UPJQN2WV

More guidelines on trading breakout approach - https://t.co/rMdHhaGZ9F

Few trades using the same approach -

https://t.co/alBFObPrFq
https://t.co/2eGNFBUm2U
https://t.co/Nz0ZdpOQQp

New blog: Should you become a full-time trader - Fuck No !!
https://t.co/sJ0bZ0LaQ6

How to adjust a short strangle position. I might follow it up with couple of simulation videos if there is enough interest/motivation.

https://t.co/wGqpSnDRQS

Options learning resources -
1. Zerodhaa varsity
2. Tastytrade (start with this crash course and then watch tons of other videos) - https://t.co/CwXbFV1KAR
3. Steadyoptions.

All these offer very good learning and a great start to your options trading journey IMO. Good luck.
