As committed here goes the 2nd "Inside Candle" strategy:-

Queries can be posted on comments, video will take some time to come.

Want market influence to circulate it to reach max audiences.

Inside Candle Trading statergy

*15mints min time frame & more

*whenever you see 2nd(baby)candle
is forming inside of 1st(mother)candle
draw high and low of 1st(mother)candle and
take entry which side 3rd candle breaks
*stop loss - 1.someone can put sl at baby candle low

2.someone can put sl at mother candle low(both works)
*entry - 3rd candle breaking mother candle
*target - 1x2x3x of your risk

#candles could be any colour
