Here is one of my favorite setups Steve -

> I tried to create a simple "Trend Strength Meter" based on my experience on EMA21 but it can work with other MAs as well. If u can read a clock, you can read the strength of a trend. Keep practicing until your eyes are trained to spot this.#LearnWithPALhttps://t.co/Lu3lWAnVPz pic.twitter.com/H0AQ4s9YXi
