What does "patriots in control" mean?
What would that "look like" in reality?

So a massive adult film star in all his glory is included in an official FBI government filing document? https://t.co/fdc8gxeWFq

> Perhaps the explanation is that Patriots are in control.

A "pillow guy" has military-grade intercepts detailing the IP addresses and device MAC IDs of EVERY incursion into every county in the nation?

The "President" has no snipers on top of White House, travels in spare government aircraft, says incredibly stupid stuff constantly, and keeps having appearances in front of a "President Elect" backdrop?
