1/12 Plan for today; we expect the #MOMA bill (Ministerial and Other Maternity Allowances) debate to begin around 12.45pm.
It is still not too late to email if you haven't already done so, but Tweeting about this and tagging MPs will raise more awareness on social media.

2/12 We have the names (in speaking order), of all those who are listed to speak. We suggest you Tweet these MPs (especially if you are a constituent) and make your views known. Use the #MOMA hashtag.
