shannon: Impeachment before Unity & Healing

@sunny_in_MN

In the days after Ravi Zacharias died, I started collecting screenshots of those praising his life and ministry. It consumed hours of my time. I knew that the time of this great reveal on his corruption and abuse was coming. I wanted to make sure that the receipts were there.

I tried to give them away to a couple other people, but it wasn't the time. I'm going to try to make a long thread of them since those who supported RZ should be held accountable and not just quietly get to delete their supportive tweets without acknowledging the abuse of RZ.

I don't relish this task, because the harm that RZ caused and the shielding he received from people in high places of the Evangelical world chills me to the bone. It triggers me to no end. But I'm going to go slowly and add as I have the bandwidth to do so.

Upon the death of Abner, the Bible tells us David said "do you not know that a prince & a great man has fallen today?" Ravi was such a man & he will be missed. Karen & I send our deepest sympathies to his family and know he heard "Well done good and faithful servant."

Did the man of faith support taking kids from their parents and turning away the persecuted?

My friend, Ravi Zacharias, has heard the words we all long to hear -- 'Well done, good and faithful servant...'
(Matt. 25:21) I pray for his loved ones who grieve over their loss that they may find joy in the hope that we will all see him again in our home in heaven.

A terrible loss. Ravi wasn't just a great man -- he was a good one, which is far more difficult and important.

.@RaviZacharias will be greatly missed by family, friends & all who thirst after Truth. He has been an incredible source of Truth as an evangelist to the thinking person. Ravi exemplified Christ as a husband, a father, a friend, and an advocate of having a "thinking faith." Josh
