"these people are not going to take it any longer..
do not want to see our election victory stolen by a bold and radical left Democrats. We will never concede.. when there's theft involved...had enough. We will not take it anymore, and that is what this is all about."
1/

"We will not let them silence your voices. We're not going to let it happen.

Not going to let it happen.

CROWD: Fight for Trump. Fight for Trump. Fight for Trump. Fight for Trump. Fight for Trump. Fight for Trump.
TRUMP: Thank you."
2/

"those tens of thousands of people ..
..the military, the Secret Service and we want to thank you and law enforcement ..you're doing a great job..
..but I would love it if they could be allowed to come up with us. Is that possible? Can you just let them, please?"
3/

"if Mike Pence does the right thing, we win the election.
..he has the absolute right to do it..States want to revote, the states got defrauded..they want it back. All Vice President Pence has to do is send it back to the states to recertify, and we become president"
4/

"I actually I just spoke to Mike. I said, Mike, that doesn't take courage, what takes courage is to do nothing. That takes courage, and then we are stuck .. and we have to live with that for four more years. We're just not going to let that happen. "
5/

"We're gathered together in the heart of our nation's capitol for one very, very basic and simple reason..we want to get this right .. we're going to have somebody in there that should not be in there and our country will be destroyed and we're not going to stand for that."

6/

"But just remember this, you're stronger, you're smarter. You've got more going than anybody and they try and demean everybody having to do with us and you're the real people. You're the people that built this nation. You're not the people that tore down our nation."
7/

"Unbelievable, what we have to go through--and you have to get your people to fight.
Democrats attempted the most brazen and outrageous election theft. And there's never been anything like this. It's a pure theft in American history. Everybody knows it."
8/

"And we're going to have to fight much harder. And Mike Pence is going to have to come through for us. And if he doesn't, that will be a sad day for our country

And after this, we're going to walk down and I'll be there with you."
9/

“We're going to walk down to the Capitol

Because you'll never take back our country with weakness. You have to show strength and you have to be strong.

We have come to demand that Congress do the right thing and only count the electors who have been lawfully slated."
10/

"But whether or not they stand strong .. our country has been under siege for a long time.

Today, we see a very important event, .. right over there, right there, we see the event that's going to take place and I'm going to be watching because history is going to be made.
11/

"And, you know what? If they do the wrong thing, we should never, ever forget that they did. Never forget.

And they want to recertify their votes. .. but the only way that can happen is if Mike Pence agrees to send it back. Mike Pence has to agree to send it back.
12/

"Mike Pence has to agree to send it back.

Let's say you don't do it ..
somebody says well, we have to obey the Constitution

But think of this if you don't do that .. You will have an illegitimate president. That is what you will have, and we can't let that happen."
13/

"You're not going to have a Republican party if you don't get tougher. They want to play so straight; .. the Constitution doesn't allow me to send them back to the states. Well, I would say yes, it does because the Constitution says you have to protect our country"

14/

"When you catch somebody in a fraud, you are allowed to go by very different rules. So I hope Mike has the courage to do what he has to do, and I hope he doesn't listen to the RINOs and the stupid people that he's listening to.

this is a matter of national security"

15/

this is a matter of national security..and you had better do it before we have no country left. Today is not the end; it's just the beginning.

We must stop the steal .. can never be allowed to happen again"

16/

"we will take care of it going forward. We have got to take care of going back. As this enormous crowd shows, we have truth and justice on our side. ..something is really wrong, can't have happened and we fight"

17/

"As this enormous crowd shows, we have truth and justice on our side. ..something is really wrong, can't have happened and we fight, we fight like hell, and if you don't fight like hell you're not going to have a country anymore."
