30) Trump hired his son-in-law Jared Kushner to be one of his top advisors. https://t.co/IpmXdULraS

31) Trump had ICE agents kidnap children from their parents, hold them in concentration camps, and then “lose track” of at least 1500 of them.
https://t.co/p8CL2LkV42

32) Trump then allows U.S. families to begin adopting children kidnapped by ICE w/out the knowledge or consent of their biological parents - something that closely matches one of the components of "genocide" as defined by the UN.
https://t.co/BCXjhgg3aQ

33) It took a court to force the Trump administration to provide children held in ICE concentration camps with toothbrushes, toothpastes, or soap.
https://t.co/wHTjRxv3Ck

34) The Trump administration refused to vaccinate children held in ICE concentration camps even after three died of influenza.
https://t.co/1U6jNKOq4a

35) Trump tried to deny basic citizenship rights to and actually deport native-born Americans who are Latino and live close to the Mexican border.
https://t.co/BWxf1Yjbp5

36) Trump ordered the Pentagon to stage a pointless, dictator-style military parade for himself. https://t.co/ofVGtUThf9

37) Trump decided that spending $13 billion to create a "space force" would be a good idea.
https://t.co/nDubxhcpN8

38) Trump declared his own inauguration day the "National Day of Patriotic Devotion."
https://t.co/y9tOnDWM7T

39) "I'm a nationalist, okay? Nationalist. Use that word. Use that word." - Donald Trump
https://t.co/LnzuQcrgac

40) In 2018, Trump moved to take away the legal rights and status of trans people, which would make them vulnerable to discrimination.
https://t.co/IvqbmcMIvm

41) Trump moved to subvert the 14th Amendment by revoking citizenship rights for people born in America to parents who weren't U.S. citizens.
https://t.co/5O9jYzkLke

42) Lashing back at four of his strongest critics in the House of Representatives who are also racialized women, Trump went with the old racist trope "go back to your country!"
