Four days left to turn out voters in the most pivotal election of our lifetimes.

Plug in this weekend to the GOTV efforts of our incredible @OnwardTogether partners.

Check off your @CareInActionUS to-do list:

If you need to return a mail-in ballot: drop it off at a dropbox or your elections office.

If you need to vote in person, DM @CareInActionUS to make a plan.

If you've already voted by mail, track your ballot: https://t.co/LkQGfkyLio

If you're a voter in FL, GA, MI, NC, OH, PA, SC, TX, or WI who doesn't have transportation, the @CollectivePAC's #VoteToLive campaign has partnered with @lyft to provide $30 account credits for rides to & from the polls.

Follow @ivotefund and share their information on voting early with your friends and family.

Then, join them in the long-term fight to expand voter access. https://t.co/bZyMcBgt3f

However you're turning out the vote for Biden-Harris over the next four days, thank you for doing it.

Future generations will ask what we did to affect the outcome of this pivotal election.

We need to be able to tell them we did all we could. Our democracy is on the line.
