Through a law lobbied by the SGPC & #AkaliDal the @narendramodi government had disenfranchised the relatively liberal Sahajdhari Sikhs who consist mostly of Vaishya - Arora Sikhs in 2016 giving Akalis full control over the Gurudwaras, & giving rise to TRUE sikh narrative. https://t.co/WJaZjdqJDN

> To all those RW Hindus & Non-Khalistani Sikhs telling me Sikhs are all patriots & only minorities are khalistanis. Then how come this body that manages Gurudwaras & sikh temples & appoints Jathedar of Akal Takht is supporting Khalistani protests?! https://t.co/3cxn4NPT5n pic.twitter.com/e56K4BEy6t

Udasis the monastic wing of Sikhism that was started by Guru Nanak's son Sri Chand was expelled from Gurudwaras, their murtis thrown out & declared non sikh along with Nanakpanthis & several other Sikh sects that were close to Hinduism.

If Khalistan terrorism was not anti-Hindu should explain why one after the other each & every sect in Sikhism that is similar to Hinduism was thrown out since Akali movement of 1925? Sehajdharis are latest, in 2016 to be disenfranchised. https://t.co/V8zNpx7DDT

> 35,000 Punjabi Hindus were killed by Khalistani terrorists in Punjab. I am yet to hear any demand of justice for them!

Why were the the 1984 riots always mentioned by leaders across political spectrum, leaders in India & abroad. But have you ever heard anyone talk about those hindus who were killed by Khalistanis?

> Sir, with due respect data about deaths are not hidden!
> But for Sikhs, the issue is raised at every level - in state & national politics, in public, in judiciary, even at international level. But have you seen anyone even mentioning those unfortunate Hindus? That\u2019s the point!

One of the most ancient sects of Sikhs founded by Guru Nanak's son Sri Chand the Udasis, enjoyed state patronage & support under the sikh Empire of Ranjith Singh. How did they go from there to not even being sikhs in a matter of a few

decades?

Their various sub-sects were started by ascetic sons of various Sikh Gurus like Guru Hargobind. The only reason for excommunication & disenfranchisement of sects like Udasis, Nanakpanthis etc to latest sehajdharis is to burndown any & every connection with Hindus.

It is this Akali movement that spread hatred for anything hindu, even their own ascetics, intepreters & brothers for Hindu connection that manifested into separatism. Akali dal fuelled it with Anandpur Sahib resolution. Congress used Bhindranwale

BJP leaders including Modi also committed mistakes by giving into SAD demands in latest excommunication of the Sahajdharis & "Patitas" in 2016. But none of them can be accused of starting it. That was done by Akalis on 1925.

With Pakistan ISI support, funding & Indira's approval they just turned into a full fledged terrorist group. But the philosophy of separatism and hatred came from the Akali movement only. Denying that & blaming Congress is like blaming the US for Al Queida & Jihad.

The claim that Khalistan was not Sikh akali terrorism against hindus because it killed many sikhs falls flat because Islamic state & Taliban killed many muslims. By the same stupid logic one could say Congress is innocent because Khalistanis killed IG, Beant Singh & many Congis.
