Sources : Makkal Neethi Maiyam Chief Kamalhasan was furious for my interview that I termed him a B Team of BJP. Link of the interview is as follows :

Kamalhasan furiously tweeted, “ I am not anyone’s B Team”

An hour ago, Kamal tweeted as follows : Two girls, “Arshitha Agarwal” and “Kunisha Agarwal” had helped poor students, who are not able to get gadgets 2/n

to help poor students for attending online classes.

People are wondering who are these Arshitha Agarwal and Kunisha Agarwal. They both are the daughters of Chennai City Commissioner Mahesh Kumar Agarwal IPS. 3/n

Today morning, I tweeted, in regard to the participation of Mahesh Kumar Agarwal’s daughters in the event held at Chennai CoP office with regard to the above event where iPads were distributed for poor girls, which was held in Chennai Commissioner’s office. 4/n

While it is a semi-official function, Mahesh Kumar’s Agarwal’s daughters participated in the event.

I had tweeted as follows : “The @chennaipolice Commissioner is doing a great job of distributing free iPads to poor students with the help of NGOs. 5/n

But is this an official function or his family outing ? Why are his daughters present in such events ? Will he allow his subordinates to do this in CoP office ?”

While it is a fact that the event distributing iPads to poor children, did happen, entire cost 5/n

of iPads were born by the firm HCL.

Neither Mahesh Kumar Agarwal or his daughters had any role to play in it. However, Mahesh Kumar Agarwal’s both daughters participated in the event, for which Mahesh directed all senior officers in Chennai to participate. 6/n

Almost all the officers participated Chennai City Commissioner’s office is a public office, a government office. It is not a picnic spot. What I had questioned was why were City Commissioner Mahesh Kumar Agarwal’s daughters present in the event. 7/n

By evening Kamalhassan, whom I had described as BJP's B Team has tweeted naming the two daughters of Mahesh Kumar Agarwal – Arshita Agarwal and Kunisha Agarwal. Connected images will follow. 8/n

The [@chennaipolice_](#) Commissioner is doing a great job of distributing free iPads to poor students with the help of NGOs.

But is this an official function or his family outing ? Why are his daughters present in such events ? Will allow his subordinates to do this in CoP office ?

RSS Chief Mohan Bhagawat, whenever he visits Chennai will stay in the house of Vikram Agarwal, proprietor of Vikram Agarwal, proprietor of Radisson Blu, Chennai. He is an accused in the IPL betting scam. This is the same Vikram Agarwal who made Mahesh Kumar Agarwal IPS, 9/n

as the Chennai City Commissioner.

Kindly connect the dots.

More information about Mahesh Kumar Agarwal to follow. 10/10
