BREAKING
China's Elite Capture:

- Over 600 Chinese Communist Party (CCP) members at 19 branches of HSBC & Standard Chartered

- 123 CCP at Pfizer & AstraZeneca (coronavirus vaccines)

- Defence firms Airbus, Boeing & Rolls-Royce employed hundreds of

"In the nine months to September, 14 Chinese nationals were charged over alleged spying offences and the Trump administration last week changed its visa rules so members of the Chinese Communist Party and their families can stay or get travel documents for only a month."

"Last week, John Ratcliffe, the US Director of National Security, warned that China posed the 'greatest threat to democracy and freedom' since the Second World War and was striving to dominate 'the planet economically, militarily and technologically'."

it's been 6 months since my 5 day hunger strike to highlight history's most technologically sophisticated genocide in china (https://t.co/Vu8BVi2w4q)

yet still there's not been a single mainstream UK newspaper frontpage on the Uyghur plight

never stop asking WHY?

Self-evident.

GENOCIDE BULLETIN:

DAY 4 of my silent hunger strike protesting CCP genocide against Uigur Muslims in China.
Brits, we need 100K to sign the petition in my 2nd tweet below & we secure a Magnitsky debate in Parliament

THIS IS NOT A DRILL

Do not fail us
