Can I be the first to congratulate Boris Johnson

On getting a "British shaped deal"

On a "gold standard" trade deal

On making the UK "mightily prosper"

/joking

He won't

But he will sell it as such

And that is all that matters

> British PM Boris Johnson will visit India in January to boost trade ties, his first major bilateral trip since taking office https://t.co/EjfCeYAaNK via @bpolitics
