EXCERPTS FROM RUSH 12/16/20

He’s a senator from Missouri, and I told you earlier that he was literally telling all the witnesses who are testifying on this committee that “74 million Americans are not going to shut up over this.

We’re not just gonna go away and pretend that everything’s hunky-dory.” Here is the sound bite.

HAWLEY: After four years of that, being told that the last election was fake and that Donald Trump really wasn’t elected and that Russia intervened — after four years of that —
