1. Ten pathways to a Trump victory: https://t.co/9ikFwmc2MT

Declassify everything and expose Joe [B]iden as a criminal, treasonous puppet of the CCP, then arrest him for treason or offer him a pardon in exchange for [B]iden to concede.

2. Invoke 14th Amendment to strip electoral votes from states engaged in insurrection or rebellion against the United States.

3. Appoint Sidney Powell special prosecutor, and allow her to issue subpoenas / search warrants and issue indictments against treasonous actors. Then acquire confessions.

4. Activate the Insurrection Act and deploy the military seize ballots and voting machines, then conduct a recount under military authority.

5. Invoke the Pence-Raiklin Maneuver: Have Pence reject electoral votes from states that certified fraudulent, illegal votes.

6. Use the 2018 Executive Order on election interference to seize Big Tech and the legacy media, while arresting [B]iden and all complicit operators, charging them with treason. This would nullify the election and force a re-do.

7. Roll out all the evidence of cyber warfare from China, declare the election an act of warfare against the United States, declare new elections to be held under military authority. (We the People Convention.)

8. Invoke the National Emergency Broadcast System, seize control over the treasonous media, broadcast all the evidence of vote fraud and urge the American people to demand Congress vote for the Trump electors on Jan. 6th.

9. Convince state legislatures to revoke their [B]iden electoral slate, and by exposing irrefutable voter fraud, have those lawmakers certify a NEW slate of Trump electors.

10. Achieve victory with SCOTUS in the Pennsylvania case, and then invalidate fraudulent post-Nov. 3rd votes in all the swing states.
