REPLY REQUESTED

Dear Senators and Representatives:

Please accept my brief but sincere congratulations, and wish for success in your new office.

WE ARE IN A CRISIS.

@POTUS @realDonaldTrump has...

1/13

... won reëlection in a landslide, and it is being stolen. We believe even California probably went red in 2020.

It is IMPERATIVE that he take his rightful place as Commander in Chief for another four years.

Despite this crisis of CERTAIN FRAUD, some previously elected...

2/13

...Republicans have been silent, lukewarm, and possibly even COMPLICIT in an effort of running out the clock, foot-dragging, and deliberately undermining efforts to retain his office and continue his success.

We believe this is tantamount to TREASON, a word we do not...

3/13

...use lightly. We are counting on you, freshmen GOP members of the 117th Congress, to stand up loudly, firmly, and resolutely in support of all efforts to keep Donald J. Trump in office, and utterly reject all claims by Joseph R. Biden, Jr. to the office.

We believe...

4/13

...@JoeBiden is acting as an agent of the Chinese Communist Party (#CCP) and that the #CCP have helped plan this scheme to steal the election, which they have referred to as the #AssassinsMace, an act of asymmetric warfare that allows even a small, weak enemy to take...

5/13

...down a large country in ONE SINGLE BLOW. We believe the Great Election Fraud of 2020 was part of that plan, and probably Covid-19 as well.

To project America, We The People have decided to vote out ("primary") and even recall all existing members of Congress who have...

6/13

... undermined Mr. Trump's presidency by action or inaction.

WE NEED YOUR HELP.

Your surely must recognize that your election to office was largely due to the votes of true patriots and fervent supporters of Donald J. Trump and his agenda.

Please, please join us in...

7/13

...our effort to identify your colleagues in the U.S. Senate and House of Representatives who are not fighting as fervently as We The People (who they serve) so we may primary them.

We will stay in touch with you over the course of your service, to support you and hold...

8/13

...you to your oaths of office, oaths you will be taking to Almighty God.
