So, I woke up to some pretty spectacular information this morning. We all know that Trump is infamous for keeping his friends close and his enemies closer. Well, last nights (storm) in the capital strengthens this assertion. We've had one of our own working in the shadows.

He's a man of service; a Marine vet; person to admire for his courageous efforts for aiding the Trump administration by infiltrating BLM and Antifa. I can't thank him enough.

Thanks to @CaptianAdhd , I realized just how brilliant @realDonaldTrump really is. So I'm going to take a moment to defend a person who is not only a fine Patriot, but unknowingly my friend.

Let me introduce you to... @Shiftworker1976 ❤■
