+UPDATE+

CNN reporting now that Donald Trump pressured VP Mike Pence to engineer a coup and threatened him with consequences if he didnt cooperate.

"Pence's family also threatened".

2/

This explains why the 25th Amnedment move to remove Donald Trump from power - while not probable yet - is a growing possibility.

3/

JUST IN

"Significant number of Democrats" now attempting to organise impeachment of Donald Trump.

4/

House Democrats "circulating articles of impeachment".
Thought to be leverage among some Republicans to "encourage" Donald Trump "to leave in an orderly manner."

5/

Multiple Media:

Republican leaders currently in White House begging Trump Senior advisors not to quite...due to national security reasons as "Trump alone cant be trusted"

6/

1st National Cabinet members now resigning.

7/

Elaine Chao - US transport secretary resigns.

(She is coincentally outgoing majority leader Mitch McConnel's wife)

8/

Democrats will remove (fire) the Capitol Building's Seargent-at-arms as soon as they assume control of House and "will review communications" on the day there.

9/

Biden raises Russia support for Trump.

Brexit referendum details likely to be opened up again.

Biden not holding back now.

A real reckoning with last 4 years.

10/

Biden raises the #BLM issue well.
Mentions the klan in same breath as he exposes difference in treatment of yesterdays "thugs" with BLM protestors.

11/

Trump lawyer & friend - Lin Wood - calls for Vice President Mike Pence to be shot.

Now permanently banned from Twitter.

12/

Pelosi:
"Trump must be removed from office now".

"Will impeach if 25th Amendment not invoked"

"If VP dont act now Congress will move ahead with impeachment"

13/

Incredible scenes now.

Down to VP Pence & Cabinet now.

25th amendment or Impeachment.

Incredible.

14/

The Capitol Building's Seargent-at-arms already gone now.

Questions about police behaviour yesterday "go beyond incompetence".

15/

Mike Pence "will attend Biden's inaugaration".

16/

NEW
Ohio Republican Representative Steve Stivers:

“If the cabinet decided to invoke 25th Amendment, I would not oppose it."
