Lots of stuff happened on Capitol Hill yesterday.

All sorts of reflexivity and fertile fallacies.

And, if you haven't figured it out yet, you are only allowed to believe one version of the story and are allowed to only have one response.

Just like in late May.

(2) Any "takes" that were outside of what the established majority had prescribed would instantly brand you a racist, a bigot, a white supremacist.

And you were hedged, deleted, and banned if you thought for yourself.

Just like in March.
