Yet in 2016 Giuffre sued the President anyway, nearly costing him the election. Certainly impacting it.

...

Never have I seen him being sexually abusive yet he knew & did nothing. Compliance is my issue. 🦋

Did you witness personally anything involving Trump doing something wrong? I'm just curious why you have issue with him.

5)

Giuffre started trying to take/shake down President Trump in 2016, went quiet for 4 years, and now she's back again in 2020?

Why 4 years of silence then strike again now?

Anyone need any more proof? He let his kids be around a known sex trafficker- why we ask? It all boils down to \$\$\$. You bigots out there who see Trump as your golden calf can finally sink your eyes into this. Whoever found & published this pic- Thank you from the bottom ❤️🇺🇸

Trump always had his underage kids around pedophiles

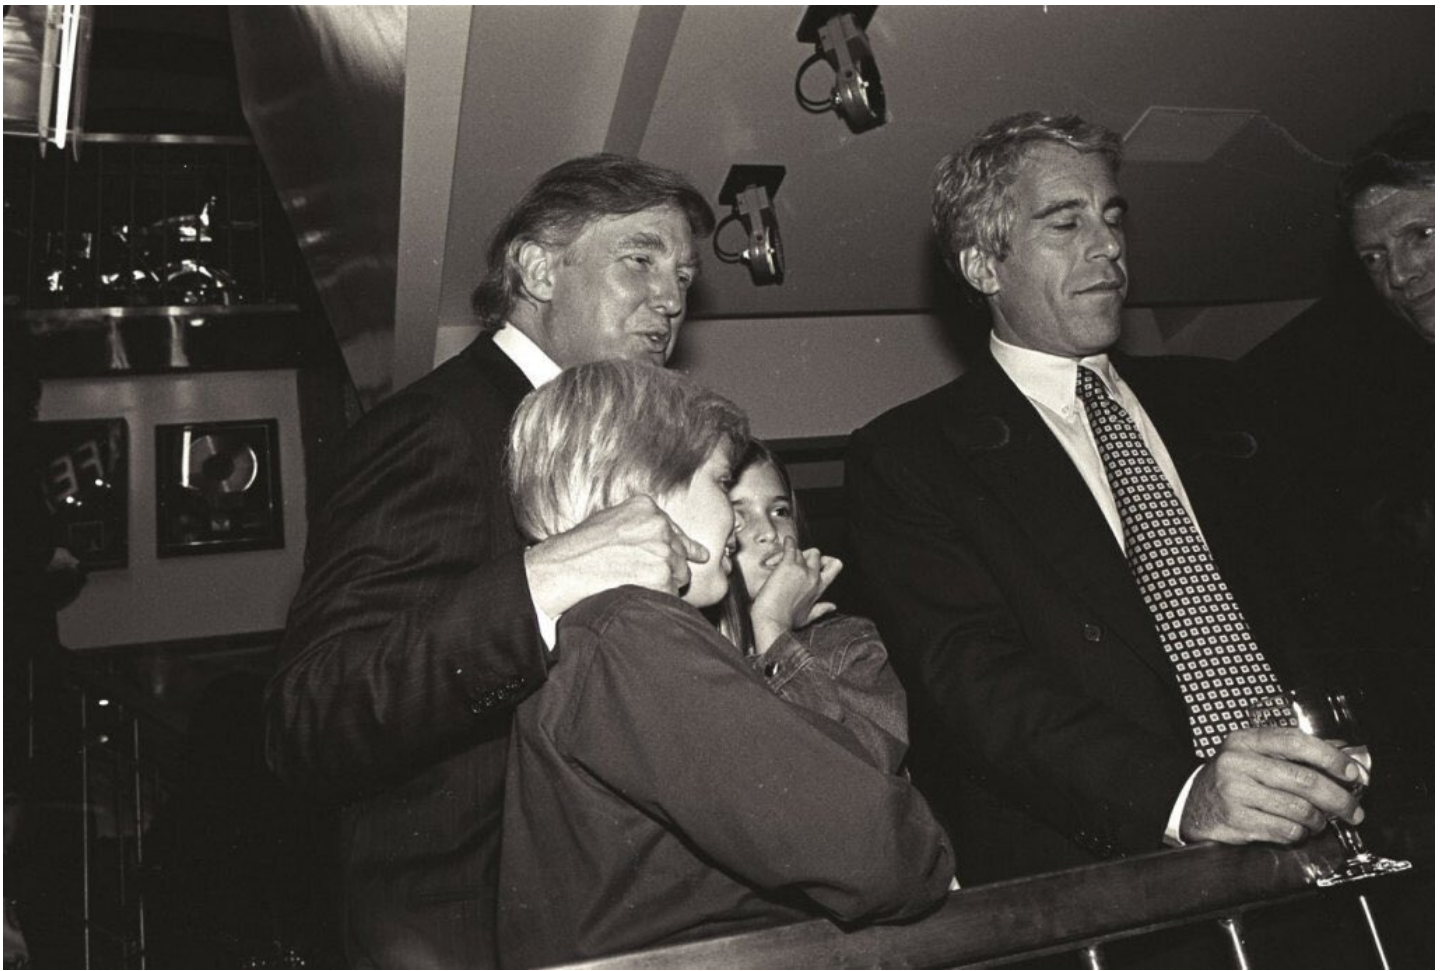

6)

Here's the photo from #5 above

Problem is, the Trump kids look max ten or twelve in this image, they are the same age as Virginia.

So this photo was taken around 1990, years before Virginia was abused by Epstein. Looks like it was taken at a club party.

7)

Problem is.....

Scumbag Epstein wasn't outed until 2005, approximately 15 years after this photo.

2005

In 2005, police in Palm Beach, Florida, began **investigating Epstein** after a parent complained that he had sexually abused her 14-year-old daughter. **Epstein** pleaded guilty and was convicted in 2008 by a Florida state court of procuring a child for prostitution and of soliciting a prostitute.

I'm sure Virginia didn't know about Epstein's terrible crimes when she met him at 15 (or 16 as Dershowitz claims).

So how can she now claim she knows with such conviction, that President Trump knew sicko Epstein's secret?

Ya, we're gonna need way more than this.

So you'd be cool hanging out with your buddy who constantly has underage girls, of no relation, around him? Ya- I take my kids out for fun-Something that doesn't involve my kids direct contact with a rapist. Just generally speaking. Wouldn't want to hurt your feelings about T.

9)

I found it interesting VG went after Alan Dershowitz who had all the free legal resources and money to bury her, but didn't go after the President again.

I didn't know about the settlement until tonight, in part why I wrote this.

I ain't saying she's a gold digger..
