This is what propaganda looks like.

Notice how they all speak the same words at the same time, the cathedral, and how the sheep in your life start repeating them all in chorus.

To understand Trump's support, we must think in terms of multiracial Whiteness

The dehumanization of groups of people, in the case conservatives, liberals who are *not* social justice Marxists or authoritarians, Christians, Jews, people of color who are conservatives, anyone who voted for Trump, the police & military, etc has already begun.
