Somewhere in the second half, we ask @joshipuras about how would he mitigate the impact of rising costs, which impacted op metrics his Q... That, and more on order booking and execution, and the sharp pick-up in ethanol ordering #TaklingPoint @BloombergQuint with @PrajIndustries

> Talking Point | Praj Industries' revenue & net profit contract in Q1 but earnings are better than expectations.
>
> MD & CEO Shishir Joshipura talks about the quarter gone by and growth acceleration led by the government's ethanol push. @_nirajshah #BQLive https://t.co/DzSARyZ2Ti
