Somewhere in the second half, we ask [@joshipuras](#) about how would he mitigate the impact of rising costs, which impacted op metrics his Q... That, and more on order booking and execution, and the sharp pick-up in ethanol ordering [#TaklingPoint](#) [@BloombergQuint](#) with [@PrajIndustries](#)

Talking Point | Praj Industries' revenue & net profit contract in Q1 but earnings are better than expectations.

MD & CEO Shishir Joshipura talks about the quarter gone by and growth acceleration led by the government's ethanol push. [@_nirajshah](#) [#BQLive](#) <https://t.co/DzSARyZ2Ti>
