## 10 Life-Changing Lessons From Walt Disney's Legacy To Dream To Dare:

Walt amassed a timeless an entrepreneurial empire.

■ Won 7 Emmy Awards
■ Earned 59 Nominations
■ Won 26 Academy Awards

No single figure has shaped American popular culture as much as Walt.

If you want the mindset read on...

1. Follow Your Heart:

“All our dreams can come true, if we have the courage to pursue them."

• Walt's father criticised his every move
• Faced adversity, learn to bounce back

Lesson:

Trust your gut & pursue your goals alone.

2. Competition Is Exciting:

“I have been up against tough competition all my life. I wouldn’t know how to get along without it."

• Learn from the competition & you will grow
• A kick in the teeth is a reality check you need

Lesson:

Obstacles will strengthen you more.

3. Appreciate Failure:

“We can't be afraid to fail. A failure we learn from is never a failure at all."

• Forgave himself for making mistakes
• He ran towards adversity from foe to ally.

Lesson:

Behind success stories is a mountain of failures.

4. Go-All-In Do It NOW:

“The way to get started is to quit talking and begin doing."

• Walt committed his life to achieving his dreams
• Devoted all his energy & talent to getting there

Lesson:

Don't half-arse it because there's a Plan B.

5. Make The Impossible Fun:

“It’s kind of fun to do the impossible.”

• He pursued what others say can’t be done
• All the way; implicitly & unquestionable

Lesson:

Life is too short to spend it doing the possible.

6. Keep Things in Perspective:

“A man should never neglect his family for business.”

• Family may not believe but they're needed
• Childlike wonder was never forgotten

Lesson:

Your family must be part of your dream.

7. Invest In Knowledge:

“There is more treasure in books than in all the pirates’ loot on Treasure Island."

• Avid learner means studying after hours
• Boosting self-confidence through reading

Lesson:

No coincidence.
Confidence & knowledge go hand-in-hand.

8. Embrace Self-Delusion:

““First, think. Second, believe. Third, dream. And finally, dare.”

• Disney was delusional without a doubt
• Crazy dreams come true with belief

Lesson:

Delusion & extraordinary are 2 sides of the same coin.

9. Never Let Curiosity Die:

“Our greatest natural resource is the minds of our children."

• Doing it just for the money, it won’t last
• Passion is power only youthfulness knows

Lesson:

Children do because they can, not because they have to.

10. Remember It All Started With A Mouse:

“We’re curious & curiosity keeps leading us down new paths.”

• Walt created a lovable character called Mickey
• Innovations without equal in the entertainment world

Lesson:

Starting with an idea CAN make the largest waves.

Mindset or Twitter little difference.

Be honest with yourself, its not followers you seek.

That's a hollow reason to be present.
