15 powerful lines from movies about psychology & life:

1.

Learn to sit back and observe,
not everything needs a reaction.

Without trust, there could never be betrayal.

That's the toughest opponent you're ever going to have to face, in the mirror.

People only know what you tell them.

Keep your friends close, but your enemies closer.

Without action, the best intentions in the world are nothing more than that: intentions.

Every catastrophe is also an opportunity.

The only thing standing between you and your goal is the bullshit story you keep telling yourself as to why you can't achieve it.

The loudest one in the room is
the weakest one in the room.
