by @morganhousel is full of condensed wisdom in every chapter. I have read it over and over and sent few copies to my friends.
It's my first attempt to create a chapter-wise visualization to help everyone.

#5 Getting Wealthy vs Staying Wealthy

Good investing is not only about good decisions, it is also about consistently not screwing up

@hii_vad

The Psychology of Money

https://t.co/0Bvtz7JNVk

#9 Wealth Is What You Don't See

Spending money to show people how much money you have is the fastest way to have less money.

#13 Room For Error

The most important part of every plan is planning on your plan not going according to plan.

#17 The Seduction of Pessimism

Progress happens too slowly to notice.
Setbacks happen too quickly to ignore.

NEVER in NEWS

13,468 cars reached home safely
