HRC extradition already in motion effective yesterday with several countries in case of cross border run. Passport approved to be flagged effective 10/30 @ 12:01am. Expect massive riots organized in defiance and others fleeing the US to occur. US M's will conduct the operation while NG activated. Proof check: Locate a NG member and ask if activated for duty 10/30 across most major cities.

I'm from SoCal, everybody worked their ass off to win in space, so many people that made a lot of money in the 70s till 80s, it was a dream to make your country the greatest on earth, so many dreams destroyed, a fountain of talent squashed and sold out, it really hurts, we really cried when we watched each shuttle launch and knew we did that
