#RADICO-1161

6.857%(1214)

whenever above this level further chart update with Fibonacci extension.

#Probability

#RADICO -742.30
Best thing happened on chart is
High 2007(219.50)
Low 2020(220)
0.50 paise differance. And now at 742..abf going on.. #Wave principle pic.twitter.com/zV8WA9WfGK
