Biggest expose of Rahul Gandhi

Thread

Rahul Gandhi has removed his company data from UK Government data in which he was British Citizen!

Let's start

There was a company BACKOPS LIMITED in UK, whose company number was 04874597 and Rahul Gandhi was director in that company. Not only was that, citizenship of Rahul Gandhi was British in that company. Please see document.

But now that company and all documents are removed from UK government data!

On 30th April 2019 MHA send notice to RaGa over his British citizenship issue.

there is new company created with similar name on 3rd may 2019! Just after 3 day of notice!

Now biggest question is that how he is able remove old data from UK government official data? Who is helping him? This is almost impossible to remove data from UK government website. It means he has support from someone in UK government!

I request [@HMOIndia](#) to look into this very seriously. This is not normal.

For twitter: all these data are available on open source websites ■
