AP Archaka Samakhya by supporting Chilkur Balaji Art 26 #DeityRightsMovement today repaying debt of Archaka community to Lord Chilkur Balaji Deity who protected our rights when the Society failed in its dharmik duty & left Archakas to fend for themselves

Dec 8th 2001 also marks the day when Lord Chilkur Balaji Deity reinforced the dharmik message of pious purpose of a Deity's incarnation which is to increase devotion in devotees leading to Moksha not income from them the prevalent purpose of Secular Govt control of Hindu temples.

The pious purpose of Hindu Deity incarnation is not for increasing income of Endowments Department officials& political trust boards it is to increase devotion in devotees.

It is time for reclaim of the pious purpose through Art 26 rights of Hindu Deities

> Appreciate quick action of AP Archaka Samakhya in ensuring dissolution of Trust Board action against people who were involved in attack on hereditary Archaka who was doing his duty w devotion to ensure free darshan for devotees as per sampradaya of temple we should not stop here.

Chilkur Balaji Art 26 #DeityRightsMovement is a movement to reclaim the lost Art 26 fundamental right of Hindu Religious denomination in Hindu Deities. It is lost Devotee fundamental right that we need to reclaim to protect the pious purpose of donation.

> The AP CAG report on misuse of devotee donated money by Secular Govt has once again brought to the focus need for an autonomous Dharmika Parishad replacing Secular Govt to oversee entire temple admin. This will become a fundamental right once we reclaim Deity Rights u Art 26. pic.twitter.com/angNiyL6tJ

Chilkur Balaji Art 26 #DeityRightsMovement message in His Koorma form is

When SC fails to deliver judgement as per principle [redacted] and also does not correct it does not mean Dharma is defeated, Dharma Himself will ensure justice as per the principle [redacted]
