The Pursuit Knowledge Is A Duty Imposed By The Almighty Creator, Allah Upon Every Human Being. It Is The Acquisition Of Knowledge Is Obligatory Imposed Upon Every Muslim Male And Female.

Acquire Knowledge, It Enables Its Possessor To Distinguish Right From Wrong. It Light Our Way To Heaven, It Is Out Friend In The Desert, Our Society In Solitude, Our Companion When Friendless.

It Guides Us To Happiness, It Sustains Us In Misery, It Is An Ornament Amongst Friends, An Armor Against Enemies.

Learn To Know Yourself. Who Are The Least Learned. They Practice What They Know. Philosophy Is a the Stray Camel Of The Faithful. Take Hold Of It Wherever You Find It. All Knowledge Is Allah And Came From Allah.

No Man Is Independent And Self-Taught. Allah Taught The Angels, And The Angels Taught The Prophets; And The Prophets Taught Humanity And Humanity Teaches Each Other.

This Is The Way Knowledge Was Acquired.

We Can Restore Peace In The World, Security Of Our Person And The Security Of Our Homes And The Home Of Our Brethren, And This Can Only Be Accomplish Through Islam. You Must Work Hard In Order To Create Industries Of Your Own,

In Order To Be Able To Employ Yourselves And Your Human Brethren Alike. You Must Stop Depending Upon Others For Livelihood And Servants To Those Who Do Not Have Faith In The Lord Our Creator, Who Respect And Regard Not His Holy Laws.

Not Have Any Respect For Your Rights Nor The Rights Of Humanity In General. But As Muslims: If You Return To The Worship Of The One True Creator Of Our Father And Humanity, In Islam And Obey His Laws And Commandments,

We Can Help To Restore Peace And Security To The World Of Humanity With The Help Of Allah, The Almighty Creator.

We Shall As A Last Warning Stay Away From: Evil Things, Evil And Unclean Men And Women. Be Honest, Just And Be Truthful At All Times And At Any Cost In Accordance With The Laws Of Islam.
