Shri Hanuman had boon to be immortal. And be present where ever there is Ram stuti.
I came across this beautiful story that I would like to share
#threadstories
#Hanuman ji is believed to live in the foothills of Himalayas. But once he spent a lot of time in Sri Lanka

Where Ravan's brother ruled for many years..
On his way back he came across tribal people from community called #Mathanga
He gave Darshan to them. The chief of the tribe asked him to keep coming back to guide their generations
Hanuman ji said that whoever recites this mantra
2/9

I will give them Darshan. But there are two conditions
1st he/she must know his relationship with me
2nd there must not be anyone around him in 950 mts radius. If present, that person must also know about my relationship with him /her.

He promised to come after every 41 yrs

The Mathangs also maintain a ‘logbook’ where they record all the words spoken and ‘leelas’ performed by Lord Hanuman.
They call him their Guru
Who teaches them how to live their lives.
A Sri Lankan organization called Setuu is studying this ‘logbook’ and also conduct
4/9

programmes for Hanuman devotees who can do ‘Sadhna‘ under the guidance of Setuu masters. Devotees who qualify all the criteria will be eligible for Hanuman’s ‘sakshaat darshan‘
The Setuu has certain conditions that need to be kept in mind which includes devoting one complete

year in the service of Lord Hanuman. During this one year, the devotee cannot have any contact with the outside world and his soul should be deeply connected to Lord Hanuman.

Also person is asked questions, only if he is found spiritually connected to Hanuman,gets selected

The place also has a foot print of Hanuman ji. That's worshipped by the sadhaks.
So far they have only been able to translate 3 chapters of log book.
The place where devotees perform ‘Charan Pooja‘ and ‘Sakshat Hanuman Pooja‘ is called ‘HanuMandal’. It is a circle made with

wheat flour on which special oil lamps are lit. Apart from the Mathangs, Setuu Masters or the devotees who have successfully completed one year of complete devotion to Hanuman can enter this place. This circle is usually made either in a cave or in dense forest and
8/9

Hanuman ji only appears on that circle.
This pic here is the one clicked by one of the devotees.
This is the mysterious legend of
Setuu Hanuman Bodhi temple located in the jungles of Piduru mountain, Sri Lanka.
