It can be hard to find the right words sometimes.

To help, we've produced a series of prayers and liturgy to help you reflect during this pandemic.

Candles can be a comforting way to pray.

You can light a virtual candle on our website, to mark an occasion or just to still your mind.

Activate your smart speaker to worship at home.

Available on Alexa and Google Home devices, our skill can answer your questions, guide you in prayer or say Grace.

Your local church is always there for you, whether onsite or online.

Visit https://t.co/R8wMSEkNUx to find details of churches that can help.

Our daily prayer podcasts can help you find a rhythm.

Whether out on your daily walk, winding down before bed or cooking a meal, be guided in a service of prayer whenever suits you.

Remember those no longer with us with a candle.

You can light a candle in memory of a loved one, or in remembrance of those who have passed away during the pandemic.

Each day, we share a prayer.

Read today's prayer on our social media channels, or at the bottom of each page on our website.
