SAREGAMA

Today's closing is a monthly close and this is done & dusted, we now have a solid monthly close above the 10 year supply zone.

If the stock has broken out from a 10 year supply zone & a 20 year peak, surely something would've changed!

Do study the industry structure! https://t.co/zA3qztFzon

SAREGAMA at a very important juncture now on the monthly chart considering today's close is also a monthly close.

Nearing a breakout from over a 10 year supply zone! https://t.co/qpsSn3obrE pic.twitter.com/1xTmB6WvhK
