What is going on at SWANSEA UNIVERSITY in Wales?

1.

https://t.co/d5NKtNlxxa

Sounds as if its connected to Bill Gates "LUCIFERASE" Vaccine?

2.

WHY? Especially now!

"Welsh universities are going to charter planes to bring students here from China.Universities in Wales are to charter planes to bring thousands of returning and new students from China, Wales Online has learned."

8.
Mystery Benefactors!

https://t.co/xHRu2lZkPy

"Swansea university received a gift £180,000 on February 12, 2018, & £104,895 February1, 2018, according to statistics released via the Freedom of Information Act.
The university also received £70,458 from another source in 2018"
