Dear Friends,

#sssnewfeature

We have implemented sector chart analysis feature and it is available from Scans, Positional and Analysis pages.

Power is given to you. Step ahead with your analysis with leading sectors analysis https://t.co/7rQ5UjCd2J

Dear Friends,

A Sector analysis for scans feature will be added to site.

Eg:- See analysis for 52weeks high breakout, from text tile sector has more breakouts, so concentrate on Textile sector pic.twitter.com/U0cIoEeKDy

- 52 weeks high breakout stocks analysis
- You can see them in tabular format as well and get list of stocks for each sector also.
- Enhanced filter to support these sectors, so you can apply these sectors in filter also.
